DEFINITIONS

Breakdown of incident categories and types

School safety is a vital concern for students, parents, educators, and the community.

Ensuring a secure environment in schools is crucial for promoting learning, development, and the overall well-being of every student.

SafeOregon is not for immediate emergency response. Emergency situations should always go to 9-1-1. It is a violation of Oregon law to misuse the tip line per ORS 165.570.

HISTORY & PURPOSE

Available to all K-12 Oregon Schools

All public, private, charter, and online schools have access to this FREE resource.

Confidential or Anonymous

Any student, staff, or the public can use the tip line to report student safety concerns. All information is confidential.

Address Immediate & Ongoing Concerns

Information goes directly to school administrators to determine best response.

Focus on Early Intervention

Identifying and supporting at-risk students early to avert crisis and tragedy later.
